## Screenshots

Representative details: selecting a location opens the list, and tapping the three-dot “more” button opens the detail view. The web and email icons open the system browser or mail sheet to that representative’s address.

Bills

To amend title XVIII of the Social Security Act to improve access to mental health services under the Medicare program.  
Introduced 2015-10-08

Recognizing the 70th anniversary of the

## Changes from Original design

The list view changed the most compared to my original design. I gave up on the static three-person view when I realized how common it would be for more than one representative to turn up in a query. Laying out each tile identically and scrolling them was much easier to implement, and still looks and feels nice.
